We set our sights on the goal of educating, mentoring, tutoring, and nurturing 100 children in a school year...and we are delighted to inform you that we’ve reached that goal this year! 100 Star Kids are shining bright.

Fifteen years ago, our founder, Dr. Tim Flanigan and our first Executive Director, Sue Petronello, had the dream to grow our scholarship program to support 100 students in a school year. They were joined by dedicated staff, volunteers, board members, parents, educators, and a terrific group of hard-working children.

To all of you, the Star Kids family says thank you for helping us reach our goal!

Star Kids Scholarship Program...
Making a Difference in the Lives of Children.

The mission of the Star Kids Scholarship Program is to provide educational opportunities in the form of tuition aid to effective non-public schools, uniforms, after-school and summer programs, tutoring and mentoring for those high risk, low-income children who have a parent with a history of incarceration and/or substance abuse. Children are typically enrolled in the program between kindergarten and Grade 4.

Star Kids’ goal for each child is to graduate from high school. By completing high school and hopefully going on to higher education, these children will have a greater chance of breaking the intergenerational cycle of poverty, drug use, disease, depression and violence.

The target areas for the program are the southeastern New England communities of Newport County, Rhode Island and Fall River and New Bedford, Massachusetts.

Star Kids was founded in 2000 by Timothy Flanigan, MD, Professor of Medicine and Infectious Diseases at the Alpert Medical School of Brown University, and HIV and Infectious Disease Physician at the Miriam and Rhode Island Hospitals.

(There are none without you).

Miracles strut about in funny disguises
Sometimes they come straight at you
dancing on the moon,
shooting out the stars
Other times they creep up quietly
sliding into your heart with hardly
a sound or a change of tide
The miracle we love best
is a child achieving full potential
It really is all about salvation
The belief in the inherent
goodness of each person
and the giving...giving
tools, skills, love
and the power to persevere

Thank you for your miracle of giving...

Thank you so much Star Kids sponsor! Thank you for helping me to go to a
great school that I love. Thank you for helping me to get a
uniform and after school care. And thank you for helping me with some so I can
have a great summer and not be stuck inside. I am very thankful and luck to have your and star
kids help!

After-School Programs/Tutoring
Our program encourages and supports after-school activities for Star Kids students. Children benefit in many ways by being involved in extra-curricular activities. After-school activities have included cooking classes, music lessons, skiing lessons, gymnastics, team sports, and dance.

To assist with academic success, we work closely with our partnering schools to ensure that each child’s academic needs are met. In the 2014-15 academic year, six Star Kids received extensive tutoring support from private tutors, and many more received tutoring from teachers or peers within their school. For a handful of children, tutoring continued during the summer months to ensure a smooth transition to the next grade level.

Mentor Program
The goal of the Star Kids Scholarship Mentor Program is to provide mentoring to interested students beginning at age five, or at any point thereafter. Mentors are role models who contribute to a child’s academic success through the gift of time and attention. They also add a little fun to a child’s life. Mentor relationships begin as school-based, as mentors help the student with school work and spend time getting to know each other. Each mentor/student relationship is unique and develops in its own way. Star Kids has partnered with with Big Brothers Big Sisters of Rhode Island to pair college student mentors with children enrolled in existing after-school programs. Mentors are another invaluable part of our children’s academic success.

“... I decided to start mentoring with the Star Kids program as a way of giving back to my community. I began meeting with my mentee when she was a 3rd grader and have seen her grow into a beautiful and confident young woman who is now an 8th grader. I felt I might be able to offer her some opportunities as well as be there to encourage her growth and education. I wanted to make a positive impact, even just a small one. What I didn’t realize at the time was that she would also have an impact on me. I hope to see our bond continue for the foreseeable future. I will always be available to her as a mentor and, of course, as a friend.”

Summer Programs
Summer is the perfect time to expose students to new interests. Through the generosity of our supporters and community partners, Star Kids were offered a wide variety of summer camp experiences. We are proud of the students for their openness to try new things and stay engaged during the summer months. Over 20 weeks of camp scholarships were awarded to Star Kids from area camps, including Newport Cookidz, Newport Gulls Baseball Camp, Newport Yacht Club, Norman Bird Sanctuary, Oliver Hazard Perry RI, Sail Newport and St. Michael’s Country Day School. In 2015, an increased number of families took advantage of the camp funding offered by Star Kids and the camp scholarship offerings.

Oliver Hazard Perry Rhode Island offered an education at sea for three teenage Star Kids for the second summer in a row, due to the generosity of Star Kids board member Lisa Lewis. This unique opportunity offered a chance for our high school students to move out of their comfort zone and experience life at sea for one week in August.

Children’s Events
Children’s events are an important part of our program for a number of reasons. Our outings provide an opportunity for the children and families to come together as a community. The students in our program feel they are a part of something important that inspires them to do their best in school. The gatherings also allow us to talk with the children throughout the year outside of school, catch up on how they are doing, and hear about their hopes for future academic plans. Five children’s events are held each year for students and their families. Each September when we visit children at their schools, they eagerly inquire about the year’s upcoming events. Mentors, sponsors and board members often attend these events and interact with the children.

- Fall Fun Day – Escofet Farm Corn Maze, October 2014
- 14th Annual Skating with Santa – St. George’s School, December 2014
- Portsmouth Abbey School Theater – “Ghost,” February 2015
- End of School Year Party – Caddy Shack, North Dartmouth, MA June 2015

Dear Newport Yacht Club,
I really enjoyed my time sailing. Thank you for teaching me how to sail. I have learned so much from the awesome group of people. And instruction. Thank you for giving me the opportunity to learn how to sail. I know I will be in a high school sail team next year. I am so going to Jamestown! Thanks again!

Overview of Giving

Thanks to our many gracious donors, the Newport/Fall River Chapter of the Star Kids Scholarship Program raised $367,028 through foundations, private donors, and our founder, Dr. Tim Flanagan, during the 2014-15 fiscal year. We are working hard to break the intergenerational cycle of crime, poverty, substance abuse, disease, and depression, which has gripped far too many of our local families. Our partnering schools invested $381,964 in tuition revenue, allowing our Star Kids to have tremendous educational experiences. Together, we are creating a better future for these scholars.

Foundation Grants

Foundations consistently provide additional key funding to supplement our Educational Program. These program expenses include tuition, after-school programs, summer camps, tutoring, and field trips for our ever-growing student population. Thank you to all of the foundations who helped us to raise over $100,000 during the 2014-15 fiscal year.

Special recognition is given to the van Beuren Charitable Foundation for its significant investment in our Children’s Educational Program. Their past generosity not only continued to fund three Star Kids at Newport County and Fall River parochial schools, but in 2014-15, the foundation also granted funding to defray the rising cost of tuition for three Star Kids attending St. Andrew’s School in Barrington, RI, The Proul School in Wakefield, RI, and Rocky Hill School in East Greenwich, RI. In addition, Neileykn Ellis Charitable Foundation provided funding to assist a fifth scholar for four years, and also donated to our summer programs for 2015. The Wilcox Family Foundation again so generously provided us with eight scholarships in 2014-15 for Star Kids. The George and Mary Keener Foundation, funded three full scholarships again for a partnering Catholic School in Fall River, the Holy Name School.

Additional foundation funding was generously donated from Donald and Nancy Cloud, The Purchase Fund, NBC Wealth Management, BankNewport Charitable Fund at the Rhode Island Foundation, Cruise Industry Charitable Foundation, supporting our Educational Program and operating expenses, Alletta Morris McBean Charitable Foundation, Frederick Henry Prince Memorial Fund at Newport Hospital, Nortstrom, and the William C. Horton Fund are all to be recognized for their tremendous support of our Educational Program.

Fall River Women’s Union, Forest Foundation, The John Clarke Trust, and the Miss Swinbourne Fund at the Rhode Island Foundation and combined for four full scholarships for our students during the 2014-15 school year. These children attended St. Michael School in Fall River, MA, Rocky Hill School in East Greenwich, RI, All Saints Academy in Middletown, RI, and St. Mary Academy – Bay View in Riverside, RI.

Tiverton Senior Center

Each year, the Knitting & Quilting Volunteers, an incredibly talented and dedicated group of women from the Tiverton Senior Center in Tiverton, RI, knit hats, scarves, sweaters, blankets and more with their “magic hands,” all to benefit Star Kids. The Tiverton Senior Center annually pledges to give $6,000 to Star Kids in support of three partial scholarships from the proceeds of their hand-made treasures. In 2014-15, these students, all siblings, attended Holy Trinity School in Fall River, MA. We are so grateful for this lovely group’s continued generosity and hard work!

Fundraising Events

Lucky 13 Soirée

Star Kids Scholarship Program celebrated 13 years of holding an annual soiree, with over 175 guests at The Canfield House in Newport on May 2, 2015. Two of our 2015 high school graduates greeted guests and then expressed their thanks for the support and educational opportunities provided by Star Kids. The crowded room cheered their remarks and applauded their accomplishments.

Excitement filled the room as friends purchased tickets to spin the Lucky 13 Wheel in hopes of winning one of the many fabulous prizes. Keel vodka created a specialty “Lean & 13” cocktail to the delight of our guests and DJ Reggie Charles kept the energy going with his tunes. Jeff Baika led a first ever live scholarship auction in hopes of raising tuition funding. The crowd generously responded to Jeff’s call to action, collectively donating 13 scholarships to the program. In total, over $80,000 was raised in support of our educational program. As board member Rachael Romanowski remarked, “the number 13 was certainly lucky for Star Kids!”

We greatly appreciate all of the Educational Program and operational support which allowed us to fully serve our Star Kids students and their families this past year!

StarRide 2015

Thanks to the hard work of co-chairs Kathy Pratt and Darcy Magrath, the StarRide has become a major fundraising event for Star Kids. Over $20,000 was raised at this year’s event, up 33% from last year. We are grateful for the generosity of our sponsors, riders, in-kind supporters, donors, and many volunteers who made this day possible. Despite the threat of rain, over 100 participants gathered to ride, walk or run 6 different routes ranging from 3 to 45 miles around Ocean Drive and Aquidneck Island. Afterward, those with “lucky” keys opened treasure chests loaded with prizes and certificates, while enjoying food and music.

“Nothing in these grey clouds dampened the spirits of this year’s StarRide, the most successful and fun yet. Today’s event raised enough to fund 5 Star Kids, plus add to the educational program, which means that more children will participate in Star Kids Scholarship Program. We’re thrilled. Thank you all!” — KATHY PRATT, STARRIDE CO-CHAIR

Private Events

Suzy and Buddy Hill graciously hosted a “Tim Talk” at their home in April 2015. This intimate gathering offered an opportunity for guests interested in the mission of Star Kids to learn more about our program from our founder, Tim Flanagan. We appreciate the chance to share the experiences and successes we have witnessed over the years with others.

If you are interested in hosting a private event, please contact Kristen Van Hull, Executive Director at 401-848-4187 or kvanhull@starkidsprogram.org
